Remarks

Lovingly maintained by the current owner since 1964, this move-in-ready Lehigh twin is ready for its next chapter! Enjoy peace of mind with two major updates already completed—a brand-new roof and a new gas furnace installed in Winter 2026, providing comfort, efficiency, and value for years to come. Step inside to discover a spacious first floor featuring a cozy gas fireplace, double living room, formal dining room, and a generously sized kitchen perfect for everyday living and entertaining. The inviting three-season rear room offers the ideal space for gatherings, morning coffee, or even taking in local fireworks displays. The second floor features two bedrooms, including an oversized primary bedroom complete with a walk-in closet. A full bathroom upstairs and convenient half bath on the main level add to the home's functionality. Need additional storage or future expansion potential? The walk-up attic provides plenty of possibilities. Outside, you'll find a detached garage and the convenience of being within walking distance to the park for summertime entertainment, the D&L Trail, library, banks, restaurants, and all the amenities downtown Lehigh has to offer. A well-cared-for home in a prime location—don't miss this opportunity!
